

Lysaght Living Collection

Outdoor living space
with style

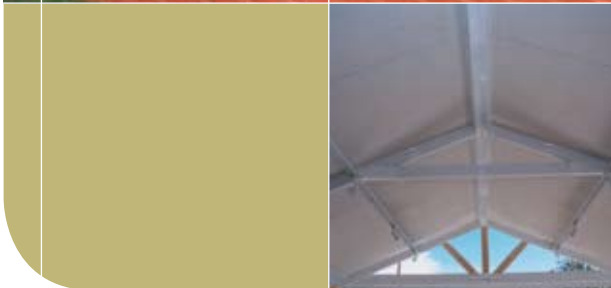

The perfect addition to every
Australian home.

Outdoor style

Australian made to last

Enjoy outdoor living all year round while adding style and value to your home with the LYSAGHT Living Collection® range of patios, verandahs and carports.

Whether it's an outdoor space for entertaining friends, sheltering your family from the elements or even a spot to park your car, there's a LYSAGHT Living Collection® addition that's just right for your home.

When you choose from the LYSAGHT Living Collection® range, you know you're getting the trusted quality, innovation, experience and design expertise associated with the LYSAGHT® name for over 150 years.

Coupling stylish good looks and smooth lines with functionality and full engineering, the LYSAGHT Living Collection® is available in a range of architectural styles and colours to complement just about any home.

The strong and durable LYSAGHT® steel components of your addition are made from COLORBOND® steel manufactured by Australia's largest steel manufacturer – BlueScope Steel. They won't warp, chip or peel and are rot and termite resistant. Just an occasional wash down is all that's required to keep your patio or carport looking great for years to come.

Engineered and tested to Australian Standards, your LYSAGHT Living Collection® patio, verandah or carport is designed to last with a minimum of maintenance. It's the smart choice for any home addition.

Ideal for traditional or contemporary design.

Creating outdoor living

Designer additions
for your home

For the ideal outdoor living space you wish to create, there's sure to be a LYSAGHT Living Collection® option to suit you.

Sit back, relax and enhance your home and lifestyle with the LYSAGHT Living Collection® range of patios, verandahs or carports.

Style and flexibility in design makes the LYSAGHT Living Collection® the ideal choice for any home. Using our exclusive design software, our experienced network of distributors can create the perfect outdoor living space to suit your home and lifestyle.

Available in a range of popular design options, LYSAGHT Living Collection® patios, verandahs and carports can be built as attached or freestanding structures, in styles, profiles and colours selected specifically to suit your home, lifestyle and budget.

Each LYSAGHT Living Collection® structure is engineered and tested to Australian Standards and developed for maximum aesthetic appearance, long-term durability and structural performance. Your structure will provide years of entertainment with a minimum of ongoing care and maintenance.

With all this design flexibility you're sure to create an outdoor living space that will enrich your home and outdoor family entertaining area.

Design choice

Options for every home

No matter what the style of your home or your budget, there's a LYSAGHT Living Collection® home addition just right for you.

The LYSAGHT Living Collection® range gives you flexibility in your design choice – a flat style skillion or a pitched roof. We also offer a range of Designer options for an even more personalised and sophisticated look.

All structures offer the choice of 100% Australian made COLORBOND® steel from our extensive colour range or a variety of translucent sheeting options. Use a combination of the two to achieve the perfect mix of light and shade.

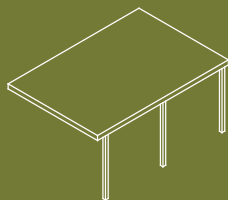

Each structure can be fully customised to meet your profile, colour and size requirements. Select from popular LYSAGHT® roofing profiles like CUSTOM ORB®, TRIMDEK® or SPANDEK® to match your homes existing roof or FLATDEK® steel roofing for a stylish high gloss flat finish on the underside. Matching gutters and downpipes provide a complete package that will enhance the elegant appearance of your extension.

Manufactured to Australian Standards, the LYSAGHT Living Collection® will create a visually stunning and practical addition to your home that you'll enjoy for many years to come.

Colorbond®

Skillion Range

Strong, durable
and easy to erect

An economical solution
when you want to create that extra
space for outdoor living.

A classic design, the Skillion addition is a flat roof that seamlessly blends with any home design.

If you're looking for a stylish, affordable cover for your outdoor area or carport you can't go past the Skillion flat roof style from the LYSAGHT Living Collection® range.

Customised to your home with our special software, your Skillion roof package is the cost-effective, attractive option to bringing your outdoor area under cover.

The Skillion structure radiates versatility. It is suitable for patio, verandah and carport applications and can be designed as a freestanding or attached addition to your home.

For your peace of mind the LYSAGHT Living Collection® is made using quality LYSAGHT® steel building components which are backed by the strength and reliability of Australia's leading manufacturer – BlueScope Steel.

Pitched Range

A spacious design for your outdoor area

There's nothing quite like entertaining friends and family in your own outdoor area.

Become the envy of your friends and neighbours with a LYSAGHT Living Collection® Pitched roof design.

A Pitched LYSAGHT Living Collection® addition will not only give your home an attractive, sheltered outdoor area, but with the extra height of a pitched design you'll retain that roomy, open air atmosphere for a more spacious feel.

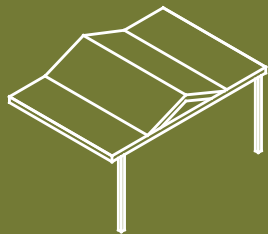

The possibilities with a Pitched design are virtually endless with the choice of a traditional gable end, the stylish hipped design or the popular dutch gable style with its distinctive set back triangular façade.

Using our design software, your pitched roof addition can be customised as a seamless addition to your homes exterior design. Our exclusive engineered system of brackets and connectors ensures attractive joins, structural integrity and quick installation.

Whether you choose a freestanding or attached structure, a selection from the Pitched range of roof additions will provide you with an outdoor living space you won't want to leave.

Designer Range

The ultimate finishing touch to your home

Outdoor living
all year round with that
added touch of style

The Designer Range offers great flexibility, bringing together the various styles of the LYSAGHT Living Collection® to create the look and feel that suits your home.

Coupling the traditional Skillion with the added openness of a Pitched Gable roof, the Designer range enhances the style and practicality of your outdoor living space.

Explore the many options and configurations for your Designer range home addition and be the envy of your neighbours with a versatile and attractive outdoor area you can enjoy all year round.

Match the profile to your homes existing roof or achieve a premium finish by choosing FLATDEK® sheeting for a high gloss ceiling-like finish. You can amplify natural lighting with translucent sheeting in the Pitched sections or cover in COLORBOND® steel for a more shady structure.

The LYSAGHT Living Collection® Designer range comes as a fully attached structure to your home and will enhance your sense of space, transforming your patio into a stylish, sheltered retreat that will be a haven for your friends and family for years to come.

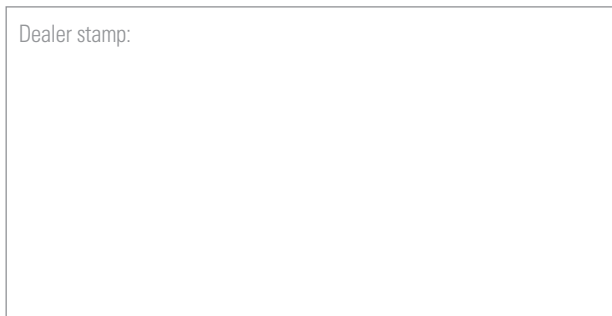

Why you should choose the LYSAGHT Living Collection® for your patio, verandah or carport:

- Designs available to complement almost every architectural style and design
- Available as freestanding or attached structures to suit your requirements
- Your choice of COLORBOND® steel roofing or translucent sheeting
- Our exclusive software ensures the design meets your specific requirements
- All components are termite, warp and rot resistant
- All components are fully engineered and checked for structural integrity
- Low maintenance - doesn't need painting, a simple wash down is all that's required
- Strong and functional connectors and brackets designed exclusively for use with LYSAGHT® steel components

By choosing a LYSAGHT Living Collection® verandah patio extension or carport, you can be sure you're getting the trusted quality that only comes from Australia's leading manufacturer of steel building products with over 150 years of experience.

Maintenance: The LYSAGHT Living Collection® has been designed around easy maintenance. A regular maintenance routine is essential to retain the appearance of all LYSAGHT® steel products and ensure you receive the maximum lifespan possible. Regular washing with clean water will prevent the accumulation of dust, salts, and airborne pollutants as well as other material which may impact on you enjoying the full life of your addition.
